Text:

Locutus sum in lingua mea:
 Notum fac mihi, Domine, finem meum,
 et numerum dierum meorum quis est,
 ut sciam quid desit mihi.
 Verumtamen in imagine pertransit homo;
 sed et frustra conturbatur:
 thesaurizat, et ignorat cui congregabit ea.

Translation:

*I spake with my tongue:
 Lord, let me know mine end,
 and the number of my days,
 that I may be certified how long I have to live.
 For man walketh in a vain shadow;
 and disquieteth himself in vain:
 he heapeth up riches, and cannot tell who shall gather them.*
